This guide helps students find places to eat near the academy. Map numbers match the venue pages. Korean shop names are included to help you recognize the signs. English names are transliterations or brand names.

All prices are in Korean won (KRW). Prices come from the supplied menu photos, public business listings, or visitor reviews. “Check price” means the price was unconfirmed or sources disagreed.

Opening hours, closed days, and breaks come from photos or online listings and may change. Walking times have not been verified, so they are not listed.

Publicly visible Naver Blog content was used as supporting material. Where original posts could not be accessed, only excerpts reproduced on DiningCode were reviewed. Personal opinions were not treated as established facts.

The overview uses OpenStreetMap roads and buildings with public address-based building coordinates. Naver and Google links help you find each venue; map reviews and walking routes have not been fully cross-checked.

Select a source label at the bottom of any venue page to open the reference.
